

Sr No	Clause Ref	Query	Rationale/Remarks
1	RFP/GSA – Gas Quality (Article 7 & Schedule C)	Kindly confirm whether the gas supplied under this tender complies with PNGRB specifications for CGD/NGPL common carrier network in terms of gas composition, GCV, impurities, and other quality parameters.	Critical for pipeline connectivity and regulatory compliance
2	GSA – Article 7 (Quality of Gas)	Kindly provide detailed gas composition including CO2, H2S, N2, moisture, hydrocarbon dew point, water dew point and other impurities for proper assessment of compatibility with PNGRB norms.	Required for engineering and compliance assessment
3	Relevant Clause (General)	It is requested that ONGC may kindly confirm that it shall provide necessary No Objection Certificate (NOC) / support letter / Help to expedite the regulatory process to the Buyer, as required, for obtaining PNGRB permissions for laying of the dedicated pipeline.	The Bidder submits that such support from ONGC, being the gas supplier and asset owner, is generally required during PNGRB approval process and will strengthen the application, enabling timely implementation of the project.
